

the florist says...

"What a gorgeous wedding! Karen's sense of style made putting together a whimsical, colour-filled and unique bridal bouquet an absolute joy. Peonies, billy buttons, daisies, freesias and Queen Anne's Lace are flowers that don't immediately come to mind when thinking of a combination for a bridal bouquet. However, the sum of the parts was just right and when Karen told us 'you literally made my dreams come to life' we celebrated playing our part in making it a perfect wedding."
